

TO WHOM IT MAY CONCERN

Ajay is head and shoulders above his competition in the search engine optimization world. I have met with countless professionals in this industry and most leave me scratching my head wondering what they were talking about and why anyone would ever hire them.

My experience with Ajay was completely different: he was concise, clear, and professional. Also, he is results driven professional and we saw 30% increase in website traffic, 70% increase in phone from our website and we were on the first page of Google for highly searched keywords. I would not hesitate to hire Ajay again and again. Please feel free to call me @ 04-447-4997 if you have any questions.

Sincerely,

Cecilia D'Cunha
